Local Dental Advantage *Plus!* covers many of the most commonly needed services, although some services are not covered. If you are unsure whether a particular procedure is covered, or how much of it is paid for by the plan, check with the plan administrators.

The following services are not covered by the program:

- ⌘ Services for injuries or conditions covered by Worker's Compensation or Employers Liability laws.
- ⌘ Cosmetic surgery or dentistry or services to correct congenital malformation.
- ⌘ Experimental procedures.
- ⌘ Therapeutic drugs, pre-medication or pain relievers.
- ⌘ Treatment related to the temporomandibular joint (TMJ) or associated muscles and nerves.
- ⌘ Hospital costs or extra charges for hospital treatment.
- ⌘ Anesthesia/intravenous sedation or the services of an anesthesiologist (except for general anesthesia for oral surgery.)
- ⌘ Extra-oral grafts implants and implant removal.
- ⌘ Treatment that rebuilds or maintains chewing surfaces that are out of alignment or occlusion.
- ⌘ Treatments that stabilize teeth, such as equilibration or periodontal splinting.

\* Please refer to the Summary Plan Document (SPD) for limitations and exclusions on these benefits. Some examples of limitations on services are the number of cleanings and oral exams covered in a calendar year, time limitations on crown replacements, precious metal costs and porcelain fillings. Orthodontic preferred payment option is available. Separate Fee Schedules apply for Specialists. The above benefits apply for procedures performed by General dentists. Referral to a Local Dental Advantage *Plus!* Specialist is explained in the SPD.
